

Discover A healthier life **Community Nursing**

EXPERIENCE A HEALTHIER LIFESTYLE AND ENHANCE YOUR SAFETY WITH CLO

Ongoing nursing support and review can improve your wellness and enhance your quality of life. It also allows an early detection and intervention of common health issues like UTI, dysphasia and incontinence, avoiding hospitalisations.

Our Nursing services

All NDIS Participants with approved funding are welcome to enquire about our Nursing services:

About Community Living Options

Since 1982, CLO provides excellence in disability care to support dreams, choices and individuality. Our organisation is a Registered NDIS provider and a Not-For-Profit committed to integrity and quality in services. CLO believes all people have the right to be valued, respected, and have control over their lives. We pride ourselves on our person-centred approach, empowering participants to live great opportunities and a great life.

Our Specialist Nursing Team

CLO Registered Nurses are professionals with experience in all aspects of Nursing Care, including hospitals - and providing acute and complex care to people of all abilities and needs.
